

## Packing the provisions

Read the list of livestock and provisions at <http://home.vicnet.net.au/~firstff/ist.htm>

How could you sort and analyse this information?

List any words that are unfamiliar to you and find their meaning

If you had to sort these items, what categories would you use?

Why were these items brought along on the voyage?

Do you think any of these items were unnecessary for the voyage?

Are there other things you think should have been included?

What do you conclude about preparations for the First Fleet voyage from this list?

What do you think about this?

What questions could you ask to find out more?
